The lamp should be treated with care. Occasionally getting the lampshade with strength may modify its original design. To solve it, open the lampshade and mold with your hands all the crushed parts so that they recover their original shape.

En touchant et manipulant l'abat-jour il est possible de le déformer. Dans ce cas, ouvrez l'abat-jour et placer votre main sur toutes les parties froissées afin qu'elles retrouvent leur forme originale.

Debido a la flexibilidad del material, al manejar la tulipa se puede modificar su diseño original. Para solucionarlo, moldear con la mano las zonas donde se aplaste para que vuelvan a su posición original.
