3

This luminaire includes the regulating system by the phase cut, for the power of the reduction of luminous flux, carries out the connection in the manner indicated in this step.

Esta luminaria incluye sistema de regulación por corte de fase, para poder obtener una reducción del flujo luminoso, realice el conexionado de la manera indicada en este paso.

4

LED CONNECTION:

Once the light source is connected, proceed to connect the luminaire to the connection tabs, respecting the color code for low voltage:

RED WITH RED - POSITIVE

BLACK WITH BLACK - NEGATIVE

To do this, lift the free orange label and insert the cable marked with the base corresponding to the color you are connecting.

CONEXIÓN LED (luminaria):

Una vez tenga conectada la fuente de luz, proceda a conectar la luminaria a las fichas de conexión respetando el código de colores para baja tensión:

ROJO CON ROJO - POSITIVO

NEGRO CON NEGRO - NEGATIVO

Para ello levante la pestaña naranja libre e introduzca el cable marcado con la funda correspondiente al color que esté conectando.
